At the last Network Graphics meeting held in July at M.I.T., we tentatively scheduled the next Network Graphics meeting which is being hosted by Stanford AI, for October 17, 18, and 19. Because the Network Working Group meeting is being held on October 10, 11, 12, 13, and 14 it has been decided to postpone the Network Graphics meeting. As soon as a new date for the meeting is established it will be announced via an RFC. It is expected that the meeting will be held in the San Francisco area sometime in November or early December.
